

Certificate of conformity of the factory production control

1592 – CPR – 0414

In compliance with Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011 (the Construction Products Regulation or CPR), this certificate applies to the construction product

EXECUTION OF STEEL STRUCTURES

Part 1: Requirements for conformity assessment of structural components

according to the intended use and the features described in Annex

produced by

O FELIZ - METALOMECÂNICA, S.A.
Av. De S. Lourenço 41, Celeirós
4705-044 Braga

and produced in the manufacturing plant(s)

O FELIZ - METALOMECÂNICA, S.A.
Av. de S. Lourenço 41, Celeirós
4705-044 Braga

This certificate attests that all provisions concerning the assessment and verification of constancy of performance described in Annex ZA of the standard(s)

EN 1090-1:2009 + A1:2011

under system 2+ are applied and that the factory production control fulfils all prescribed requirements set out above

This certificate was first issued on August 5, 2014 and will remain valid as long as the test methods and/or factory production control requirements included in the harmonised standard, used to assess the performance of the declared characteristics, do not change, and the product, and the manufacturing conditions in the plant are not modified significantly

Annex
Certificate of conformity of the factory
production control

1592 – CPR – 0414

EXECUTION OF STEEL STRUCTURES
Part 1: Requirements for conformity assessment of structural
components

Products	Welded steel structures components.
Steel Type	roup 1, Sub-groups 1.1 and 1.2 according to CEN ISO/TR 15608 and Group 2, Sub-groups 2.1 and 2.2 according to CEN ISO/TR 15608
Standard	EN1090-1:2009+A1:2011
Execution Class	EXC4
Declaration method according EN 1090-1 table A1	Method 1; 2; 3a and 3b
Structural design	Yes
Welding processes	111; 121, 135; 136, 138; 783
Responsible welding coordinator	Hugo Miguel da Costa Marques
Durability	Hot dip galvanising according to EN ISO1461 and or Anti-corrosive painting according to EN ISO 12944. Metallisation in accordance with EN ISO2063
